

On Wednesday, November 3rd students across all grade levels celebrated Flag Day, the anniversary of Sheikh Khalifa Bin Zayed Al Nahyan's presidency of the UAE. The UAE National Anthem was played at 11 am as the flag of the UAE was raised. The assembly ended with speeches related to this special occasion prepared by different members of our school community from students, teaching staff and the school principal.

On Tuesday, November 30th, the AGS community celebrated Martyr's Day in recognition of the sacrifices and dedication of Emirati martyrs who devoted their lives in the UAE and abroad in the field of civil, military and humanitarian services. Students and teachers across all grade levels along with other members from the AGS community were encouraged to wear outfits resembling the UAE National costume.

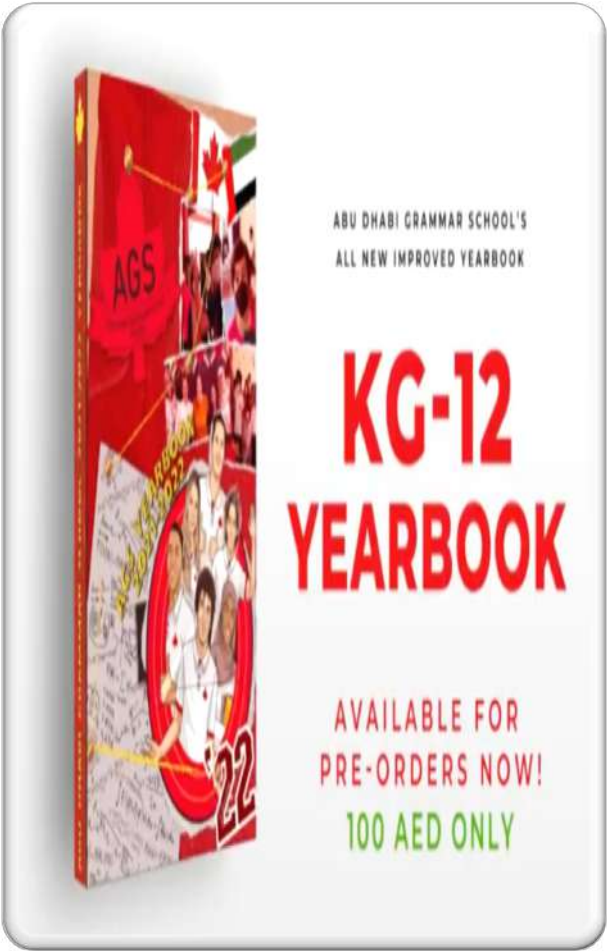

Another important occasion the AGS community celebrated was the National Day of UAE. Students and staff members came to school wearing Emirati National Dress and other UAE items that were currently sold to celebrate National Day – e.g. Scarves, pins, headbands etc. Assemblies across grade levels were conducted where students performed songs, poetry and dances to celebrate this special day.

During Bullying Awareness week students learned about the impact bullying has on someone, strategies on how to solve conflicted appropriately, and the importance of staying safe while online. *Ms. Alecia – Grade 6 Teacher*

Hello AGS! I am more than happy to announce that our Student Council is up and running to plan an exciting school year. I am more than delighted to work alongside Jude Sabih (Vice president), Tala Nouredine (Secretary) and Emil Gawrieh (Treasurer) this year to revive school spirit in a fashion that includes all grades. This month we have planned a Winter Spirit Week in which students participated in Secret Santa Candy Grams and multiple dressups: Flannel Day, Pyjama day, and XMAS dress up day! As well as, the yearbook committee is now taking orders for AGS' first ever KG-12 Yearbook. I am beyond grateful to be part of the yearbook committee once again. I am certain that this year will be one of a kind because of everyone in the school community, and remember: Together we make the difference! Hala Saffarini ~ **Student Council President**

A lot of our students are making personal achievements outside of school. Please share with us their success so we can celebrate and recognize their achievements and inform the community. Kindly forward the information with photos and supporting links to Ms. Nisreen Ibrahim at nibrahim@agsgrmmr.sch.ae. In October we celebrated Tamer Nakkash in Grade 12 and this month Talya Ali in Grade 4 ... Let's not stop here... Who's next?

This month our student in grade 4A, **Talya Ali** won the Small Voice, Big Difference Campaign of Lacnor and Oasis. The awarding ceremony was on Sunday, November 14th at **The Farm, Al Barari**. Staff from AGS Admin attended the ceremony to support and share the joy of this wonderful achievement of our student. Congratulations Talya! Field trips are finally back! Students across different grade levels were busy this month with visiting various places in the city. Examples of these places were; The Cultural Foundation, the Louvre and Manarat Al Saadiyat. Field trips are one of the major benefits of being FTF at school and is one of the important learning features that teachers resource to for integrating hands – on education. Education through such field trips are always fruitful and leave a positive impact on our students. More to come after the winter break ... so stay tuned!
