Literacy Week - AGS Book Fair

A book fair was held in the school's library during the last week of May. It was held in celebration of World Book Day. Students across all grade levels visited the Fair during their usual library time and had the opportunity to purchase books of their interest.

Field trips ... Great places to visit in Abu Dhabi

Grades K – 1 went on a field trip to Bounce where they spent a good amount of fun time working on their athletic skills, jumping and stretching. It was a great way to let their energy out outside the school setting. Warner Brothers was another place where students from grades 3 – 12 visited and had the opportunity to connect with their friends and teachers outside the school setting. The purpose of both field trips were leisure and educational.

Assessments, Assessments and more Assessments

Students across different grade levels worked very hard this month in preparation for various assessments coming from UAE and Canada. We are very proud of our students.

Students who are 16 years old were randomly selected to write for PISA tests during the second week of May. The test was held in the GYM for three hours. On the other hand, students in grades 3 – 9 wrote the GL assessments. These assessments provided benchmarks in Math, English and Science at the school level. Every student was assigned to write the GL assessments regardless of adaptations. Both PISA and GL assessments were mandated by ADEK.

Around the same time students in grades 3 and 8 were required to sit for the Nova Scotia Assessments. These assessments are annual. They reflected how much the student knows compared to their sister schools in Nova Scotia.

Senior High – Team Work

Student Council

The month of May brought lots of excitement to school, as the students had their Eid dress up, where they got the chance to show off all their phenomenal Eid outfits. Furthermore, there was the iconic duo dress up that was extremely entertaining as students got to pair with each other and dress up as the duo they like, and that sent laughter and smiles to everyone. Last week we had the "pie in the face" event in which some students and teachers volunteered to be pied in the face for a yearbook fundraiser. A special thank you to our volunteers and everyone behind the organization of this event.

Hala Saffarini- President of Student Council

Grad Committee

For the past school year, The Grade 12 Committee has been tasked with the responsibility of making this year's events for our Seniors the best they can be! The Committee has successfully planned and helped out in events in the past such as The Senior Barbeque, Global Day, Annual Safari Trip, Expo Trip, and more. With only less than two months remaining, we have been busy planning events to end the year with a bang! We will be holding this year's Grad Dinner on June 2nd at the Rosewood Hotel where we come together as classmates and friends one last time to celebrate our inevitable Graduation. We hope that all invited would be able to attend this wonderful event. As the year closes, we wish all seniors good luck on final exams and to see you all in our upcoming events!

Janna Samson- Head of Grad Committee
