

Application Procedure

Beginning this 2018-2019 school year, we ask that you submit applications for all siblings applying together as a package. For example, if your youngest child is applying to KG2, then submit all of your children's applications at this time. Your older children will not be assessed right away, but we try to take families into consideration when applications are processed and selected students are contacted to come in for their Interview & Assessment.

There are 4 stages to the Admission Process

1. Application
2. Interview & Assessment
3. Approval
4. Admission

1. Application

To apply to Abu Dhabi Grammar School (Canada), students must provide the following:

- Completed Application Package – 2 pages, double sided
- Valid copy of the student's UAE ID (front and back)
- Valid copy of the student's passport with valid UAE residence visa for non-UAE national students
- Student's most recent report card
- Student's final report card (last academic year)
- Enrolment letter from student's current school including eSIS number (for students within the UAE)
- Two recent coloured passport-size photographs of the student with a white background, *no more than six months old.*

*Please note: **All** required documents must be valid, coloured copies.*

All of the above documentation must be submitted together, then the application will be processed and evaluated by the admissions team. An application will not be processed until all of the documents noted above have been received. **Please note, due to the high number of applications received, we will only contact those applicants who will move on to the Interview & Assessment stage.**

2. Interview & Assessment

Based on the documents submitted, as well as available seats in the grade level, the student may be selected to move on to the Interview & Assessment stage. The admissions team will arrange assessment and interview dates. Applicants will be interviewed and assessed according to their age, and grade level, that correspond with the school's requirements.

Kindergarten 2 applicants must be born in 2014, and Grade 1 applicants must be born in 2013 to enter KG 2 and Grade 1, respectively, for the 2019 - 2020 school year.

3. Approval

Applicants will receive a *Confidential Recommendation Form* when they sit for the entrance assessment. Please have the applicant's current teacher complete the Form, stamp it with their official school stamp, and return it; either, in a signed and sealed envelope or by emailing it directly to Ms. Brittany, the Admissions Coordinator at admissions@agsgrmmr.sch.ae. This **must** be received within seven days of writing the entrance assessment.

Application Procedure

According to an applicant's assessment results, Confidential Recommendation Form and previously received documentation, the applicant will be denied or approved for admission into the school. Admission decisions are based on the school's admissions team and administration. **The decision of whether an applicant is approved or denied into Abu Dhabi Grammar School (Canada) is non-negotiable; an applicant will have the opportunity to complete the Interview & Assessment one time only.**

4. Admission

Successful applicants will receive a phone call of acceptance, inviting them to register at our school. To register, applicants must pay the deposit fee and provide the rest of the documents. The deposit fee is 5% of the tuition fees for each child. This fee must be paid in cash, and is deducted from the tuition fees when the first semester payment takes place in August 2019.

You will have seven days only to complete the documentation and pay the deposit fee. The seat is not secure until the 5% deposit fee is paid and documents are complete.
