# *Bully Awareness Week*

Students across all levels wore Pink to show solidarity with bullying prevention in Canada. This was our kick start for Bully Awareness Week which AGS celebrates every November. In our continuing efforts to address and end bullying, we devoted our morning announcements to highlight many ways on how to prevent bullying and encouraging them to be up standers (to stand up to bullies) not bystanders. ONLINE and FTF students were also involved with various games, stories, and activities where teachers across all grade levels focused on the 4 types of bullying: physical, social, verbal and cyber. Students were continuously reminded that these behaviours must occur more than once to be called bullying!
