

Welcome Back to AGS

We are very happy to see our students who are making our school lively again. Social distancing and wearing masks still apply in classrooms, during recess and on buses.

Mark Your Calendar

Re-registration for current students will remain open until March 11, 2021.
Students will begin Term 3 on March 17th 2021.
Second Term Reports for grades K - 9 will be distributed on March 18th 2021.
Culture Day will be held on March 24th 2021.

Message from the School Nurse

It's finally happening! AGS is welcoming back students for the second term. It's been a rough start and a challenging year. We know students haven't seen each other for quite some time. With all the excitement building up, especially for those returning to school physically, please don't forget to take extra precaution. Please always wear a mask, sanitize and wash your hands frequently, avoid hugging and talking too close to your classmates, refrain from sharing foods and using other's personal belongings, be mindful of your actions and stay in your designated bubbles.

We wish everyone good luck and enjoy the remaining months of the school year.

Stay Safe... Stay Healthy

Important Information for FTF Students

Dear Parents,

All students aged 12 and above, with the exemption of Students with Determination, who are physically attending school are required to do the next Covid-19 PCR test on 27 February 2021 at Biogenix Labs, Masdar City between 7:00AM to 10:00PM.

Please note:

Students who are attending Online will not need to be tested. Students should bring their Emirates ID and School ID. Students who miss the free scheduled covid-19 test on their designated date can get tested at alternative centers at their own expense.

Please find below the details for AGS student testing:

Abu Dhabi Grammar School (Canada)

School Code: KS-9049

Testing Dates:

27 February 2021

9 March 2021

19 March 2021

29 March 2021

Location: Biogenix Labs, Masdar City

Biogenix Labs - G42 Healthcare - Masdar City - Abu Dhabi - <https://goo.gl/maps/leiSsx46LyKICKYXq5>

Time: 7:00AM - 10:00PM

Testing Company: G42

Test results must be emailed to health-compliance@agsgrmmr.sch.ae . Students not providing this information will not be permitted to enter the school.

A festive winter scene featuring a red lantern with a heart-shaped cutout on its lid, a heart-shaped ornament, and a star-shaped ornament hanging from a branch with red berries and snow. The lantern is lit, and the scene is set against a white wooden background with snow.

Last teaching day is on Thursday, March 25th, 2021. We will start our Spring Break on Sunday, March 28th, 2021 until Saturday, April 10th, 2021. Classes resume on Sunday, April 11th, 2021.

Please remember that, if you travel, you must quarantine according to the regulations of the country, submit negative Covid test results and a letter from SEHA.

Have a safe and lovely Spring Break
