

*We would like to wish the AGS community a very healthy and a very Happy New Year.*

We look forward to welcoming our Grades K – 12 students who will continue or start FTF.

We were disappointed that we were not able to start back to school beginning on Jan 17. We are very much looking forward to seeing everyone and having life go back to what we are used to! We are grateful that we have the opportunity to remain safe and take the precautions necessary to protect ourselves and each other. We continue to follow media and ADEK guidelines for news about the return to school.

*Please note that February 14-18 is a mid term break for AGS staff and students. There will be no classes held during that week.*

Students who attend FTF must always wear their AGS school uniform when they come to school. Social distancing continues in classes, playground and on buses.

## **Important Dates for Admissions and Re-Registration**

<b>Sunday 10 Jan 2021</b>	Admission is open for ALL GRADES for <u>siblings of students currently attending AGS only.</u>
<b>Sunday 17 Jan 2021</b>	Admission is open for ALL GRADES for <u>new students.</u>
<b>Monday 1 Feb 2021</b>	Re-registration is open for current students.
<b>Thursday 11 Mar 2021</b>	Re-registration is closed for current students.

Eligible applicants will be contacted to arrange an interview & assessment, which corresponds with the ADEK and AGS requirements. **Due to the high number of applications received and seat availability, we will only contact those applicants who are selected to sit for an Interview and Assessment based on seats available.** All Interviews and Assessments will be administered online. For more information, please contact the Admissions Department at [admissions@agsgrmmr.sch.ae](mailto:admissions@agsgrmmr.sch.ae).

Last week we were pleased to receive results from TIMSS (Trends in International Mathematics and Science Study) an international assessment that monitors trends in student achievement in Mathematics and Science. The assessments are done by selecting random students at Grades 4 & 8.

We are very proud to announce that AGS has outperformed Abu Dhabi Private Schools and All UAE Schools in all categories assessed. The Benchmark set by TIMSS for success is 500. Our students have scored well over that number, again in each category. We are very very proud of our student's accomplishments as well as our entire staff.

### YOUR OVERALL PERFORMANCE

School and curricula means by grade and subject

**How well has your school performed compared to students in the same and different curricula across Abu Dhabi?**

Students from a broad range of international curricula were assessed in TIMSS 2019. The mean scores for the main curricula offered in Abu Dhabi private schools are presented below. Mean scores for some curricula are not shown due to the small number of schools sampled from that curriculum. These are grouped and shown as 'Others'.

**Table 10: Grade 4 and 8 Mathematics and Science – mean scores by curriculum**

Curricula	Grade 4		Grade 8	
	Mathematics	Science	Mathematics	Science
Your School	<b>512</b>	<b>517</b>	<b>510</b>	<b>520</b>
Indian	484	485	518	544
MoE	469	473	459	472
UK	486	471	511	522
US	454	431	453	443
Others	522	509	508	510
